This also applies in the case where the speakers have already been invited by the Conference. In this case, the company will support the amount of nights as per conference policy.

Product Theatre Session

Meet with attendees and key decision makers to share your new research outcomes, discuss your clinical protocols, and conduct product demonstrations of your new products and services. Product Theatre sessions are 30 minutes in length and will be held in a designated area(s) in the exhibit hall, which is set up in theater style for 50 attendees. No other sessions of the scientific program will run in parallel but may run concurrent with other corporate sponsors.

Product Theaters provide a high value, live educational opportunity for hosts to reach engaged healthcare professionals. These sessions deliver a platform to gather and discuss issues on patient education, specific products and therapeutic areas

Located in the Exhibit Hall, Product Theatre provides an opportunity to:

- Highlight and demonstrate new and existing products.
- Provide up-to-date research findings.
- Give product details in-depth.
- Demonstrate products.
- Distribute branded materials.

Conference Lanyards

Opportunity to place company logo on the lanyards. The Organising Committee will select the type and design of the lanyards. The supporter's logo to be printed on the lanyards.

Supporter will provide funding of the Conference bags. The bag will bear the Supporter's logo and the Conference logo.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Notepads & Pens

Supporter will provide funding for the Notepads & Pens for the participants. Notepads & Pens will bear the ICORS logo and the Supporter's company logo and will be distributed in the participants' Conference bags.

Mobile app

The Conference App engages attendees with personalised planning tools and real-time event updates. The App transforms smartphones, tablets, and laptops into tools for active conference participation and makes it easy for participants to access conference information to connect with speakers and colleagues. The App includes the scientific program, abstracts, speaker information, participant lists, the rating/voting system for sessions and speakers, and a personalised scheduler. The App can be downloaded from the Apple App Store and Google Play. Conference App sponsorship support includes:

- Supporter acknowledgement on the splash/pop-up screen of the App: "Supported by: company name/logo" (product logo not permitted).
- 2 "push notifications" included in the sponsorship package.
- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Coffee will be served during breaks in the exhibition area. Hospitality provided will be in compliance with all relevant industry codes. Opportunity to have a one-day display of company's logo at the catering point located within the exhibit area, and to provide items bearing company logo for use during the supported break.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Welcome Reception/ Networking Event

• Supporter will have the opportunity to promote itself through a networking reception on the first evening to which all registered attendees are invited. Hospitality and any activities provided will be in compliance with all relevant industry codes. The supporter's logo will be on signage at the entrance to the Welcome Reception and will have the opportunity to provide items bearing company logo for use at the event.

- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Mobile App Push Notification

- One “push notification” sent to all participants* onsite through the mobile app, to be coordinated with Conference Organiser. Specifications will be provided by the conference organisers.
- Only for those participants who have opted to receive such information.

Advert in the Mobile App

- Gain additional exposure for your Symposium or Workshop session by advertising it in a designated section of the Conference App.
- The Conference App will be available for all participants who download the app.

Promotional Email Blast

Gain additional exposure for your Symposium, company or exhibition booth by sending out a Mail Blast to the pre-registered delegates who have agreed to receive promotional material, at a date and time coordinated with the Conference Organiser.

- **Exclusive:** Mail blast will be exclusive for the supporting company. Design of mail blast will be done by the company
- **Joint:** Mail blast will be shared with other supporting companies.
